## **Swami Vivekananda Welfare Programme**

Dear Devotee / Well-Wisher

We convey greetings and good wishes from The Ramakrishna Centre of South Africa.

The Centre provides disadvantaged families with nutritional, medical, legal, educational, cultural and spiritual support throughout the year.

Families are provided with a grocery hamper containing basic food items each month. School uniforms and stationery, and household items (kitchenware and bedding) are also distributed.

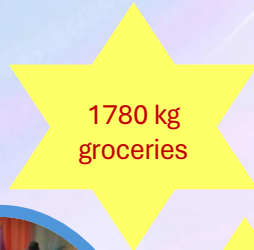

In May 2024, assistance was provided to approximately 1400 people by the Centre's various Sub-Centres.
